## 2016-17 Tuition and Fee Schedule

**Excess Credits**

All resident undergraduate students who have accumulated 165 credits (or 30 credits more than required by their degree program, whichever is more) will be charged a tuition surcharge. For each additional credit taken, this surcharge will be double the resident undergraduate part-time, per-credit rate at the institution.

**Students Returning from Military Service**

If a student is called to active military duty while enrolled at a UW System institution and the student is unable to complete his/her coursework for that semester, the student will be assessed the same tuition upon his/her return to school as was charged during the last term he/she attended. This applies only to the first semester the student enrolls after returning from active duty. To be eligible the student must enroll within two years of returning from active military duty.
