## **UW SYSTEM MATH INITIATIVE Math Steering Committee Meeting**

**Thursday, November 8, 2018**

**Check in 9:00 – 9:30 a.m.**

**9:30 a.m. – 2:30 p.m.**

**Pyle Center Room 220, 702 Langdon Street, Madison**

### **MEETING OBJECTIVES**

- Discuss how to ensure rigor in MSC gateway math courses
- Explore current bridge programs, co-requisite and other supplemental instruction programs to support student success in MSC gateway math courses

### **AGENDA**

#### **Welcome**

#### **Discuss how to ensure rigor in MSC initial gateway math courses**

- How do you ensure rigor when you teach one of the gateway courses?
- How would you judge rigor for a course?
- What indicators would you propose the MSC use to ensure and communicate rigor?

#### **Lunch**

#### **Explore strategies to support student success in MSC initial gateway math courses**

- Discuss whether and how the placement score informs supplemental programming
- Share UW examples of bridge programs, co-requisite, supplemental instruction and other strategies
- Explore UW System role in supporting successful strategies

#### **Next steps and closing**

- Determine interest in collaborating on a module for students transferring with 7-8 LO stats to a campus with 9 LO stats, and a process if interest is expressed
- Dec. 6 at 2 p.m. - Webinar presentations from UWL, UWM, and UWW on multiple measures
  - Invite math department colleagues, other ICT members, etc.
- Due Jan. 7 - Submit Year 1 progress report and Year 2 project plan
- Early enrollment in math foundational work
- MSC meetings Jan. 22 and March 14 to work on Business, Nursing and Education programs
- Note: EMPT website "Math Requirements by Major" at <https://exams.wisc.edu/empt/mathrequirementsbymajor.php>
- ICT workshop tentatively April 18-19
