

AP<sup>®</sup>

# Introducing AP Precalculus EXTRA SLIDES

Launch Year: 2023-24  
First Exam: May 2024

**How was AP  
Precalculus  
developed?**

# Course Research and Design

## Higher Education Research

Syllabi analyses, major requirements, course transfer competencies, textbook analyses.

## Advisory Board and Writing Team

Content development committees consisting of college faculty and experienced HS teachers

## Pacing and Confidence Study

Vetting framework content, skills complexity, and pacing.

## Faculty Input

Conversations with individual faculty, small-group academic conversations, content surveys.

## AP Framework and Exam Structure

Building from best practices for AP course design (140-day framework; leveraging AP skill categories; utilizing AP question performance data; project design)

---

# Framework Development

## ADVISORY BOARD

**David Bressoud**, *Macalester College*, Saint Paul, MN
