

UW System Board of Regents Resolution 8457:

Delegation to System President

That the following items be delegated to the System President:

1. Requests for authorization to recruit replacements for vacancies below the vice chancellor level.
2. Approval of Board of Visitor appointments that fall within the limit of 15 per board. (Regent approval would continue to be required for expanding boards beyond 15 members).
3. Approval of vice chancellor and vice president salaries for new hires that fall within the range approved by the Board policy. (Currently, the Board approves both an authorization to recruit within a specified range and then acts to approve the specific salary once a candidate is identified. This delegation would have the Regents act only once, in setting the authorized salary range.)
4. Authority under 36.09(1)(e) to approve appointment of: State Geologist, director of the State Laboratory of Hygiene, director of the Psychiatric Institute, and State Cartographer.
5. Authority to approve named professorships, subject to final Board approval.
6. Amend Board policy 89-8 to delegate to the President authority to approve all leave of absence requests that total three years or less. (Leaves extended beyond a total of three years would still come to the Board for approval.)
7. Eliminate second readings of honorary degree nominations unless an objection or question has been raised about a candidate at the first reading.
8. Eliminate the requirement to report to the Board "intention to recruit" deans with salaries below 75% of the President's salary.
