

UNIVERSITIES OF WISCONSIN NAVIGATE UPDATE

Board of Regents, December 2023

NAVIGATE OVERVIEW

Dr. Julie Amon

Associate Vice President for Enrollment & Student Success

NAVIGATE PURPOSE

Navigate is a student success management platform designed to:

- Help faculty and staff provide timely, evidence-based interventions
- Equip students with vital tools and resources
- Help our universities support overall student success and close equity gaps

STRATEGIC ALIGNMENT

- UW System Strategic Plan
 - Strategy 2: We will champion student success across the higher education life cycle.
- 360 Advising Initiative
 - Promote a holistic approach that provides students with a coordinated network of high-touch, proactive support to ensure their academic progression to degree completion.
- UW universities strategic plans and priorities related to:
 - Student success
 - Closing achievement gaps
 - Retention
 - Completion

NAVIGATE COMPONENTS

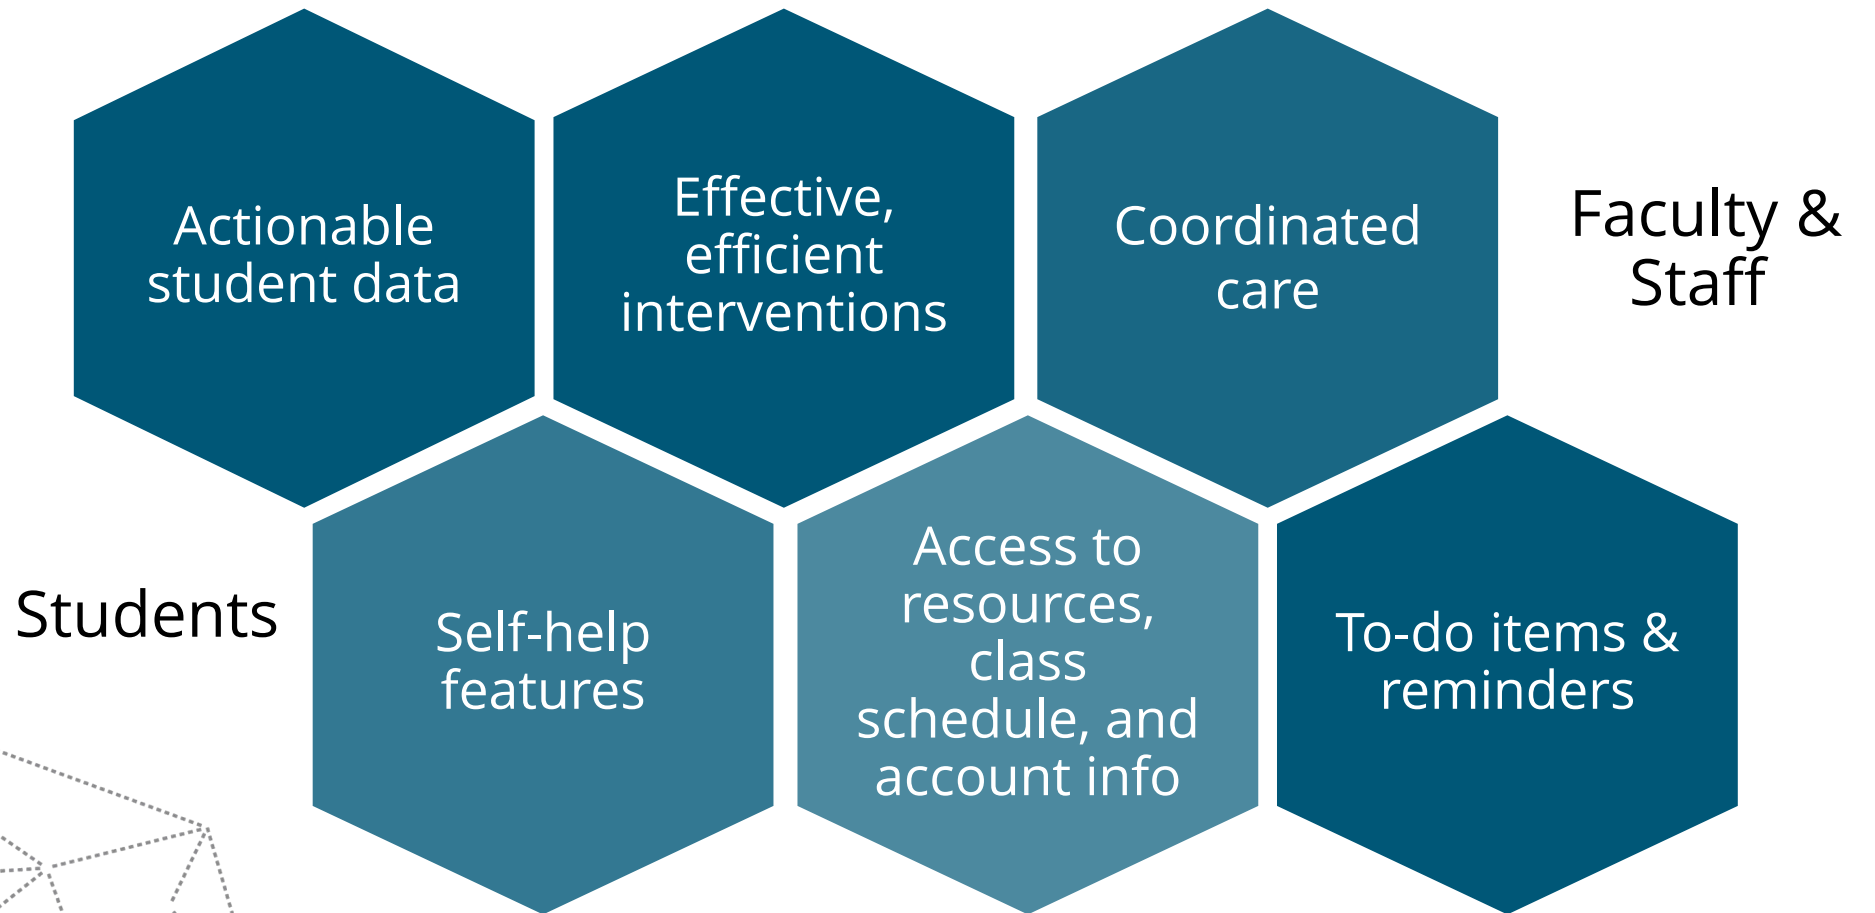

Proactive, coordinated, targeted communications and outreach to ensure students receive services to succeed

Analytics that help leaders translate academic progress indicators into effective intervention strategies and support for student success

Communications, scheduling, and resources guide for students at pivotal points to support their pathway to completion (app for phone or laptop)

Our Student Success Goal:

“Increase the 6-year graduation rate to 50 percent by 2025 and close equity gaps by 2030.”

What does it mean for us to close the equity gap?

A national initiative that aims to close equity gaps in higher education by 2030

 - 2nd Chance for Adults*
 - Mental Health and Belonging*
 - Holistic and Coordinated Care*
- Equity Mindedness

As part of the Moon Shot Holistic and Coordinated Care and informed by the Navigate Maturity Curve, we have focused on how to scale:

- Monitoring Student Concerns
- Differentiating Care

Academic Progress Report Campaign –SPR 23

Persistence

61% of students, with cases in Spring 2023, who had **interaction(s)** with staff, persisted to the next term of Fall 2023.

53% of students, with cases in Spring 2023, who had **NO interaction(s)** with staff, persisted to the next term of Fall 2023.

Early Alert Student Success Strategy

Goal: Increase first to second year retention by 3 percentage points, increase credit accrual and GPA
