

Equity-Focused Change Management Consulting

Change Leadership to Erase Equity Gaps

The Moon Shot for Equity is change management consulting to **erase equity gaps** and **boost success for all students**, especially those historically excluded from the benefits of higher education. Grounded in proven best practices and policies, the Moon Shot combines change leadership strategies and tactics, data insights, best-in-class technology, consultative support, and project management to build the infrastructure and capacity to **lead and sustain bold change**.

Find and Close Gaps at Scale

Hardwiring data and technology into your equity work helps you identify gaps, scale support, and evaluate your progress.

Our Moon Shot partners often implement EAB's student CRM, *Navigate360*, or EAB's education data platform, *Edify*, to support their work with the Moon Shot for Equity. To learn more about those platforms visit eab.com/Navigate360 or eab.com/Edify.

Proven Strategies To Address Policies And Practices

Stemming from our extensive higher education research, EAB brings a proven playbook to help address policy reform and implement equity-minded best practices to improve student outcomes. These areas include:

Leadership and Campus Climate

Access and Enrollment

Academic Policy and Process

Student Support and Belongingness
