

**UNIVERSAL UNDERGRADUATE CREDIT TRANSFER AGREEMENT
BETWEEN THE UNIVERSITIES OF WISCONSIN AND THE WISCONSIN
TECHNICAL COLLEGE SYSTEM
(Revised Fall 2024)**

I. Purpose

On November 21, 2019, Wisconsin Statutes, § 36.31(2m) (b), the State of Wisconsin 72- Credit Transfer Rule, became law. The statutory requirements went into effect on November 21, 2019. The Universal Credit Transfer Agreement (UCTA) between the University of Wisconsin System (now Universities of Wisconsin or UW) and Wisconsin Technical College System (WTCS) satisfies the requirement expressed in the statute. Specifically,

36.31 (2m) (b) Notwithstanding s. 36.09 (3) (a), the Board of Regents and the technical college system board shall, and the governing boards of tribally controlled colleges in this state and the association, on behalf of private colleges, may, enter into and implement an agreement that identifies an array of not less than 72 credits of core general education courses and establishes policies for ensuring that, beginning in the 2022-23 academic year, credits for completing the courses are transferable and would satisfy general education requirements at the receiving institution or college, between and within each university, technical college, and each tribally controlled college and private college that elects to participate in the agreement.

The statute defines core general education courses to mean,

“Courses generally required for an undergraduate degree that are prerequisite or otherwise in addition to the courses required for an undergraduate degree in a specific course of study.” [Wisconsin Statutes, § 36.31(2m) (a)(1)]

II. History of transfer agreements within and across the UW and WTCS

The long-standing patterns of inter-institutional collaboration among the UW and WTCS institutions on matters of transfer provided a ready foundation for development of this agreement. This agreement enhances the portability of credits and credentials between the two systems. Decades of mutual work between and among the two systems and institutions has led to a strong culture of support for transfer and student success among the public colleges and universities of Wisconsin. Previous partnerships resulted in the establishment of undergraduate transfer policy and guidelines outlined in the UW System Academic and Student Affairs Administrative Policies SYS 135 UW System Undergraduate Transfer Policy, SYS 110 University of Wisconsin Board of Regents Criteria for Approval of WTCS Collegiate Transfer Programs, SYS 115 Associate Degree Standards, and SYS 140 UW System Templates For Articulation Agreements Between UW System Institutions And WTCS Districts, as well as ; Regent Policy Document 4-16 Criteria for Approval of Wisconsin Technical College System Liberal Art and Pre-Professional Transfer Programs. Collaborations between institutions within the two systems have produced a profusion of course equivalencies or course-based credit transfer agreements within and across the UW and WTCS institutions.

Guided by SYS 140, UW and WTCS institutions articulate and document program-to-program transfer agreements. These program agreements map specific academic pathways for students. Academic advisors use these agreements to counsel students to identify

how courses they take in their Associate Degree programs will transfer into specific baccalaureate programs at a UW institution.

Transfer agreements are made accessible to the public at <https://www.wisconsin.edu/transfer/agreements-campus/>

III. Universal Credit Transfer Agreement General Terms and Provisions

A. Terms

1. This agreement is effective October 1, 2024, and will be reviewed and renewed every three years, unless UW and WTCS leads agree to an alternative time frame.
2. This agreement applies only to students who are enrolled at a UW or WTCS institution.
3. Terms within this and future agreements do not supersede or negate any currently published program-to-program transfer agreements established under UW SYS 135 or SYS 140.
4. When establishing course transfer credit equivalencies within this agreement, the UW and its institutions should apply the transfer credit principles and principles of accommodation as articulated in UW System SYS 135.

B. Application of the Universal Credit Transfer Agreement

1. The courses represented in the UCTA may satisfy degree requirements differently for a student depending on the course requirements related to the major that the student declares, and the structure of the academic program at the receiving institution. Some professional majors and curricular pathways require students to complete a specific set of general education courses.
2. The UCTA represents only some of the articulated UW/WTCS credit equivalencies and transfer agreements available to students. Students and institutional advisors should select and apply the transfer agreement that best supports the student's academic and career goals.
3. To ensure that students make the best choice to enroll in and complete coursework that is most relevant to advancing their degree goals, UW and its institutions and WTCS and its institutions shall advise students to:
 - a. Discuss career and academic programs plans, including transfer plans, with a UW or WTCS academic transfer advisor early in their academic studies. Keep in mind, that even if a student transfers in all the possible courses in the UCTA, the student still may not meet the distribution requirements at the transfer receiving institution.
 - b. Utilize the UW Transferology searchable database found at <https://www.wisconsin.edu/transfer> to view a larger set of transferable courses and course equivalencies within academic departments at each UW and WTCS institution.

c. View transfer guides and articulation agreements that map out specific degree plans and course transfer plans for a range of majors and programs of study at <https://www.wisconsin.edu/transfer/wisconsin-technical-college-student-resources/>.

C. Publishing of the Agreement

1. In partnership with WTCS, UW will publish web-based resources within the UW Transferology that are dedicated to the UCTA.
2. Historical UCTAs will be published and maintained on the UW Transfer site found at [wisconsin.edu/transfer](https://www.wisconsin.edu/transfer). As a result of the restructuring of the UW Colleges within the UW, all courses labeled “UW Colleges” have been transitioned to come under the authority and accreditation of a UW four-year institution.

D. Maintenance of the Agreement

1. The Universities of Wisconsin Administration (UWSA) Office of Student Success in partnership with UW institutions and the WTCS System Office and WTCS institutions will maintain and update this agreement.
2. UW and WTCS institutions agree that regular revisions to Section IV of this agreement are necessary to stay current with the dynamic nature of the curriculum and course offerings that evolve in order to stay current with emerging knowledge, industry needs within a professional field, and pedagogy.
 - i. For a course subject set to be included within the UCTA, at least 50% of WTCS districts must offer the WTCS-designated general education course, and at least 50% of UW institutions must offer an equitable course within the course subject set.
 - ii. When reviewing current and potential course subject sets, the review committee may consider both lower-division and upper-division courses offered at UW institutions, to include as a sending course within the course subject set.
3. Additional courses may be added to Section IV (Table 2) of this agreement, at any time, upon agreement of all UW and WTCS institutions.
4. Modifications to Section IV (Table 2) of this agreement that will result in the elimination of a course subject set from the UCTA (see Table 1) may not be made during the academic year for which the agreement is in effect, unless agreed upon by both UW and WTCS leads.
5. Prior to each subsequent academic year, the UWSA Office of Student Success and the WTCS System Office will provide updates to their respective Vice Presidents that summarize the modifications made to this Section IV of this agreement for the subsequent academic year.

IV. UW System/WTCS Universal Transfer Agreement

- A. The term of the UCTA is effective October 1, 2024, and will be reviewed and renewed biannually, as described in Section III.

- B. Courses included in the agreement
 1. The Academic Years 2014-2016 UW System/WTCS UCTA included eleven (11) course subject sets. Two (2) additional course subject sets were added to the agreement effective July 1, 2016. Thirteen (13) course subject sets were continued into the 2018-2020 academic years. Eleven (11) course subject sets were added to the agreement in 2021 to be effective September 1, 2021. A total of twenty-five (25) course subject sets are illustrated in Table 1.

 2. The WTCS course titles and numbers are common to all sixteen (16) WTCS campuses. Table 2 lists specific institution course numbers and titles that correspond to each course subject set. Course numbers and titles are drawn from the respective institutions' current course catalogs.

 3. The set of course subjects within the tables are classified into general education shared learning goals. The tables illustrate how the selected courses are distributed across a variety of academic areas and disciplines.

 4. The transferred credits will satisfy a general education or general degree requirement at the receiving UW or WTCS institution and may include elective credit. General education, degree requirements, and elective credit provide value by preparing students for advanced coursework. Further, general requirements provide students with skill sets and breadth of content knowledge that will enable students to transfer and apply knowledge to multiple academic and workplace settings.

 5. Specific information about how each listed course title and number will transfer and satisfy the general education or general degree requirement at a receiving institution may be accessed in Transferology at <https://www.wisconsin.edu/transfer/transfer-tools/>.

 6. During the most recent review cycle, the two systems reviewed credit transfer from UW institutions back to WTCS institutions in support of reverse transfer policies. Results were presented in a memo to UWSA and WTCS System Office leadership on April 9, 2024.

Table 1

Classification	Course Subject Set	Credit Range
Communication	Written Communication/ English Composition	3
	Oral/Interpersonal Communication	3
	Introduction to Public Speaking	3
	Technical Reporting	3
Humanities and Fine Arts	Ethics/Moral Problems	3
	Thinking Critically and Creatively	3
Natural Sciences and Quantitative Reasoning	College Physics	3

	Introduction to/General Chemistry	4-5
	Microbiology	4-5
	Algebra and Trigonometry	3-5
	Calculus I	4-5
	Introductory Statistics	3
	Trigonometry with Applications	2-3
Social and Behavioral Sciences	Abnormal Psychology	3
	Developmental Psychology	3
	Introduction to Psychology	3
	Psychology of Human Relations	3
	Contemporary American Society	3

	Diversity Studies	3
	Introduction to Sociology	3
	Introduction to American Government and Politics	3
	Introduction to Economics	3
Total Credit Range		79-88

Transfer credits will be applied according to transfer accommodations found in SYS 135 UW System Undergraduate Transfer Policy. Where a range of credits is indicated for a course subject set, it reflects differences among UW institutions. Credits transferred into the WTCS will be evaluated according to documented technical college policies and procedures consistent with WTCS State Board Policy 323 on credit for prior learning and procedures developed by the System Office.

	Course Subject Set: Introduction to General Chemistry	Institution	Course Title	Course Number	Credits
	Receiving Institutions	UW-Eau Claire	Chem Nat Sci w/Lab Gen Ed		4
		UW-Green Bay	Chemistry Elective; satisfies Nat Sci Gen Ed		4
		UW-La Crosse	Contemporary Chemistry	CHM 100	4
		UW-Madison	Chemistry Electives		4
		UW-Milwaukee	Chemical Science & Chem Lab	CHEM 100 & NS+	5
		UW-Oshkosh	General Chemistry I	CHEM 105	5
		UW-Parkside	General Chemistry I General Chemistry I Lab	CHEM 101 CHEM 103	5
		UW-Platteville	General Chemistry	CHEM 1140	4
		UW-River Falls	Concepts in General Chemistry Chemistry Laboratory Concepts	CHEM 115/215	5
		UW-Stevens Point	Basic Chemistry	CHEM 101	4
	UW-Stout	General Chemistry	CHEM 115	5	
	UW-Superior	Chemistry Elective		4	
	UW-Whitewater	Chemistry Elective; meets lab science	CHEM 9999L	4	
	Sending Institutions	Wisconsin Technical Colleges	General Chemistry	806-134	4
	Course Subject Set: Microbiology	Institution	Course Title	Course Number	Credits
	Receiving Institutions	UW-Eau Claire	Microbiology	BIOL 250	4
UW-Green Bay		Principles of Microbiology	BIOLOGY 323 and 324	4	
UW-La Crosse		Microbes and Society	MIC 100	4	
UW-Madison		Microbiology Elective		4	

	Receiving Institutions	UW-Milwaukee	General Survey of Microbiology	BIO SCI 101	5 4
		UW-Oshkosh	Microbial Survey	BIO 233	5
		UW-Parkside	General Microbiology	BIOS 202	4
		UW-Platteville	Natural Science Elective		4
		UW-River Falls	Microbiology	BIO 324	4
		UW-Stevens Point	Natural Sciences Elective		4
		UW-Stout	General Microbiology	BIO 306	4
		UW-Superior	Microbiology	BIOL 355	4
		UW-Whitewater	Lab Science Elective		4
	Sending Institutions	Wisconsin Technical Colleges	Microbiology	806-197	4
	Course Subject Set: Algebra and Trigonometry	Institution	Course Title	Course Number	Credits
	Receiving Institutions	UW-Eau Claire	Pre-Calculus Math	MATH 112	5
		UW-Green Bay	Pre-Calculus	MATH 104	4
		UW-La Crosse	Pre-Calculus	MTH 151	4
		UW-Madison	Algebra and Trigonometry	MATH 114	5
UW-Milwaukee		Precalculus	MATH 115	4	
UW-Oshkosh		Pre-Calculus	MATH 108	5	
UW-Parkside		College Algebra II with Trigonometry	MATH 114	5	
UW-Platteville		Pre-Calculus	MATH 2450	5	
UW-River Falls		College Algebra and Trigonometry	MATH 147	3	
UW-Stevens Point		Precalculus Algebra and Precalculus Trigonometry	MATH 118 and MATH 119	5	
UW-Stout		Trigonometry	MATH 121	3	
UW-Superior		Pre-Calculus	MATH 115	5	
UW-Whitewater		Precalculus	MATH 152	5	
Sending Institutions	Wisconsin Technical Colleges	College Algebra & Trigonometry w/ Applications	804-197	5	
Course Subject Set: Calculus I	Institution	Course Title	Course Number	Credits	
	UW-Eau Claire	Calculus I	MATH 114	4	
	UW-Green Bay	Calculus and Analytical Geometry 1	MATH 202	4	
	UW-La Crosse	Calculus I	MTH 207	4	
	UW-Madison	Math Elective		4	
	UW-Milwaukee	Calculus & Analytical Geometry 1	MATH 231	4	

	Receiving Institutions	UW-Oshkosh	Calculus I	MATH 171	4
		UW-Parkside	Calculus and Analytical Geometry I	MATH 221	4
		UW-Platteville	Calculus and Analytical Geometry I	MATH 2640	4
		UW-River Falls	Calculus 1	MATH 166	4
		UW-Stevens Point	Applied Calculus	MATH 111	4
		UW-Stout	Calculus 1	MATH 153	4
		UW-Superior	Calculus and Analytical Geometry I	MATH 240	4
		UW-Whitewater	Applied Calculus Survey for Business and Social Sciences	MATH 250	4
	Sending Institutions	Wisconsin Technical Colleges	Calculus 1	804-198	4
	Course Subject Set: Introduction to Statistics	Institution	Course Title	Course Number	Credits
	Receiving Institutions	UW-Eau Claire	General Elective		3
		UW-Green Bay	Business Statistics	BUSAN 220	3
		UW-La Crosse	Elementary Statistics	STAT 145	3
		UW-Madison	Introduction to Statistical Methods	STAT 301	3
		UW-Milwaukee	Elementary Statistical Analysis	MTHSTAT 215	3
		UW-Oshkosh	Workshop in Statistics	MATH 114	3
		UW-Parkside	Elementary Statistics	MATH 103	3
		UW-Platteville	Elementary Statistics	MATH 1830	3
		UW-River Falls	Fundamentals of Statistics	MATH 226	3
		UW-Stevens Point	Elementary Statistical Methods	MATH 255	3
		UW-Stout	Elementary Statistics	STAT 130	3
		UW-Superior	Elementary Statistics	MATH 130	3
		UW-Whitewater	Elementary Statistics	STAT 101	3
	Sending Institutions	Wisconsin Technical Colleges	Introductory Statistics	804-189	3
	Course Subject Set: Trigonometry with Applications	Institution	Course Title	Course Number	Credits
	Receiving Institutions	UW-Eau Claire	Trigonometry	MATH 113	3
		UW-Green Bay	Math Elective		3
UW-La Crosse		Math Elective		3	
UW-Madison		Trigonometry	MATH 113	3	
UW-Milwaukee		Trigonometry	MATH 117	2	
UW-Oshkosh		Trigonometry	MATH 106	2	
UW-Parkside		Trigonometry	MATH 113	3	

		UW-Platteville	General Elective		3
		UW-River Falls	College Algebra and Trigonometry	MATH 147	3
		UW-Stevens Point	Precalculus Trigonometry	MATH 119	3
		UW-Stout	Trigonometry	MATH 121	3
		UW-Superior	Math Elective		3
		UW-Whitewater	Trigonometry	MATH 151	3
	Sending Institutions	Wisconsin Technical Colleges	Trigonometry with Apps	804-196	3

Transfer credits will be applied according to transfer accommodations found in SYS 135 UW System Undergraduate Transfer Policy.

Where a range of credits is indicated for a course subject set, it reflects differences among UW System institutions.

Colored cells in the “Course Subject Set” column highlight courses added to the UCTA in the most recent revision of the document.

The UCTA is not intended as a stand-alone advising document. Transferology should be consulted for any updates that may have been made to this information since publication. The UCTA is intended to delineate the course subject sets that meet the criteria for universal transfer among WTCS and UWS institutions. The courses that are included in Table 2 comprise a snapshot of the specific transfer equivalencies that existed at the time the UCTA document was published and may change over time.

Agreement entered on June 2014 by

Wisconsin Technical College System - Morna Foy, President
University of Wisconsin System - Ray Cross, President

Agreement revised effective on July 2016 by

Wisconsin Technical College System – Kathleen Cullen, Provost and Vice President
University of Wisconsin System – Jim Henderson, Vice President

Agreement revised effective on July 2018 by

Wisconsin Technical College System – Colleen McCabe, Provost and Vice President
University of Wisconsin System – Karen Schmitt, Interim Vice President for Academic and Student Affairs

Agreement revised effective on September 1, 2021 by

Wisconsin Technical College System – Colleen McCabe, Provost and Vice President
University of Wisconsin System –Anny Morrobel-Sosa. Vice President for Academic and Student Affairs

Agreement revised effective on October 1, 2024 by

Wisconsin Technical College System – Colleen McCabe, Provost and Vice President
Universities of Wisconsin – Johannes Britz, Interim Senior Vice President for Academic and Student Affairs

History:

University of Wisconsin Board of Regents Resolution I.1.d.: Approval of the Universal Credit Transfer Agreement between the University of Wisconsin System and the Wisconsin Technical College System (June 6, 2014)

University of Wisconsin Board of Regent Policy Document 7-1: University of Wisconsin System Undergraduate Transfer Policy (Revised 06/06/2014)
