

Fox World Travel Secure Messaging

There may be times when a Fox World Travel agent needs to acquire credit card information from you to reserve your booking. The most secure and efficient way to share this information is through a Fox World Travel Secure Message. Credit card information should never be shared through email.

Secure messaging can be accessed through this link, [Fox World Travel - Secure Messaging](#), where you will be brought to a page where you can either Create a Note or Read a Note.

Secure Messaging

Create a Note

Read a Note

After selecting “Create a Note”, a text box will appear for you to enter the necessary information. Please include the information in the bullet points below.

- Cardholder Name
- Credit Card Number
- Expiration Date
- CVV Code

A screenshot of the 'Create a Note' form. It features a large yellow text area with the placeholder text "Write your note here...". Below the text area is a dark grey button labeled "Save Note" with a right-pointing arrow.

After entering the information and selecting “Save Note”, you’ll be provided a message key.

Your Message Key Is: **EVR6PKTH**

Copy the message key and send only the key back to the Fox World Travel representative you were working with.
