

# ID REQUIREMENTS TO FLY ARE CHANGING

# IS YOUR ID READY TO FLY?

Effective **May 3, 2023** TSA will begin requiring either a REAL ID **or** a passport to board a domestic aircraft for those 18 and older. Those who do not have either a REAL ID or passport will be denied boarding.

## How much does it cost?

Customers whose current driver license or ID will not expire before October 1, 2021, may obtain a REAL ID-compliant card for \$14 (the cost of a duplicate driver license), or \$16 for a duplicate ID card.

## Is this a reimbursable expense?

No, the cost of a duplicate ID, or the cost to renew your drivers license is not reimbursable.

## Is my ID already compliant?

Compliant licenses have a star in the upper right hand corner. Non-compliant licenses have the verbiage "Not for federal purposes" in the upper right corner.

## How do I obtain a REAL ID?

Visit your local DMV. Additional documentation requirements can be found on the Wisconsin DOT Website: [wisconsin.gov](http://wisconsin.gov)

## What if I am not a WI ID holder?

Visit your state's DMV website to obtain requirements. The October 1, 2021 deadline still applies.

## Who can I reach out to with additional questions?

Reach out to your campus travel manager for further information on the REAL ID Act.
