<sup>1</sup>Boarding positions will be automatically reserved for you and the Passengers on your reservation 36 hours prior to the flight. You and Passengers on your reservation will still need to check in within 24 hours of scheduled departure to retrieve your boarding passes. Some restrictions apply. These restrictions include, but are not limited to, your reservation must be booked 36 hours prior to scheduled departure, and on group travel itineraries, priority boarding will only apply to A-List and A-List Preferred Members. See [Southwest.com/rrterms](https://southwest.com/rrterms) for more details.

<sup>2</sup>Qualifying flights include flights booked and flown through Southwest® and flights paid entirely with dollars, Southwest LUV Vouchers®, gift cards or flight credits, and with no portion of the purchase price paid for with Rapid Rewards® points or Rapid Rewards Business points. <sup>3</sup>If there's an open seat on a different flight on the same calendar day as your original flight and it's between the same cities, you can get a seat on the new flight free of airline charges. If there isn't an open seat, you can ask a Southwest Gate Agent to add you to the same-day standby list and you will receive a message if you are cleared on the flight. Based on the flight status contact preference selected during booking, the message will be an email or text message with a link to access the boarding pass via the Southwest app, mobile web, or you can visit a Southwest Gate Agent to print a boarding pass. If there are any government taxes and fees associated with these itinerary changes, you will be required to pay those. Your original boarding position is not guaranteed. <sup>4</sup>Priority Lanes and Express Lanes, where available, are designed to speed our Business Select® and Anytime Customers, as well as A-List and A-List Preferred Members, through check-in and security lines.
